**Learn about Dowsing, Earth Energies and Light Life Tool**

*2 Day Program*

**Day 1: 9:00 AM - 5:00 PM**

**Day 2: 9:00 AM - 4:00 PM**

**WORKSHOP AGENDA**

***Learn How***

Earth energies and geopathic stress can contribute to imbalances and health problems.

***Learn to***

Locate and divert geopathic stress, including electro-magnetic field (EMF)

***Develop Your***

Personal ability to locate water, lost items, and get answers to your questions.

***Understand and Use***

The pendulum, dowsing rods and other tools such as Slim Spurling's Light Life Tools for finding and balancing energies, including for healing.

***Participate In***

Field work at a designated site to learn and re-direct earth energy imbalances. The field work will be held on Saturday August 1 to practice the skills and techniques taught during the workshop.
